GRAVITY or NOTHING

What's holding you up today? Is it GRAVITY or NOTHING? One of the verses of scripture I could never understand while in Seminary was [Job. 26:7](#)

["He stretched out the north over the empty space, and hangeth the earth upon nothing."](#)

Then I read a scientific report about the relationship of the earth and the power of gravity. I found out that the earth actually stands upon nothing! It is suspended in space by the sheer force of gravity alone – wow! Still, no one knows WHAT the force of gravity is..... And HOW it originated..... And WHY it is there.... So, the fact remains simple: It is God who is holding up the earth.

[Hebrews 1:3 ".... Upholding all things by the Word of His power...."](#)

Spiritually speaking, what lesson can we learn from this? If the earth hangs upon NOTHING, and God is holding it up – God's people on the earth, should hang on NOTHING – BUT on their God!

- Our faith should hang on nothing BUT our God.
- On the Word of our God,
- And the power of our God.

So, I propose that there is a spiritual gravitational pull by which we are upheld.

[Rom. 5:2 "... Grace in which we stand..."](#)

Therefore, that gravitational pull/ G FORCE = the GRACE of God, which is upholding you and me today. There are folk whose trust and confidence are in their faith. This puts a greater weight or responsibility on them. [May we place our trust in our Lord alone](#) – And allow ourselves to be upheld by

that strong
unshatterable force
of the grace of God.
